Why do we run/walk?

100% of the proceeds from Emily's Rainbow Run & Family Walk support research of pediatric cancers at UH Rainbow Babies & Children's Hospital, an internationally recognized center for basic, clinical and translational research. Each day, 46 children in America will be diagnosed with cancer - that is enough to fill a school bus. Sadly, cancer is the leading cause of death by disease in children and yet most of the funding for research comes from private donations and federal funding through the National Cancer Institute. You can help by registering to run or walk, donate through the Pot of Gold program and share our mission to others.

Benefiting Pediatric Cancer Research
at Rainbow Babies & Children's Hospital
